The BK1-BT is fashionable multi-function Access Control with integrated Keypad, Card reader, Bluetooth module, making access by PIN/card/smartphone (Android & iOS)

Technical Specification

User Capacity	1010 (10 group of Anti-duress users)
Operating Voltage	12V~28V AC/DC
Idle Current	<35mA
Card Type	EM, HID & EM, EM&HID&Mifare
Read Range	2~6 cm
Wiegand Input/output	26-37 bits
Keypad Output	4bits, 8bits, 10 digits virtual number
Relay	One relay (NO/NC/COM)
Waterproof	Conforms to IP67
Metal Casing	Zinc-Alloy
Operating Temperature	-40°C ~ 60°C (-40F~140F)
Operating Humidity	0 ~ 98%RH
Dimensions	134*55*22mm(L*W*H)
Weight	0.5KG

Order Information

BK1-EM-BT: 125KHZ EM Standalone/reader
 BK1-H/EM-BT: 125KHZ EM & HID Standalone/reader
 BK1-M-BT: 13.56MHZ Mifare Standalone/reader
